NEWSLETTER

WOODEX FOR AFRICA CONFERENCE AND EXHIBITION: 22-24 MARCH 2012: **CALLAGHER CONFERENCE CENTRE IN MIDRAND**

The stalls and program for the WoodEx for Africa conference and Exhibition has been finalised. It provides TASA an opportunity to promote the Association. Papers will be delivered by prominent overseas speakers on relevant subjects. Visitors from overseas will also attend.

Stalls have been allocated to members of the Wood Foundation namely ITFB, SSA, SAWPA, ITC and TASA. These stalls form a unit although separate 3m by 3m areas are allocated to each to enable them to retain their separate identities. Stall J18 is allocated to TASA for free. It is however our responsibility to equip it.

We call on members to assist with equipping the stall. Please also advise whether you want your emblem/logo to be included in the pamphlet to be distributed.

Two hundred complimentary tickets are available for the exhibition with a value of R40 each to TASA members. If interested, please contact the TASA office so that tickets can be posted to you.

The cost for attending the full program is R4 000 (VAT excluded). One day attendance is R2 500 (VAT excluded). The program and booking forms will accompany this Newsletter.

The article on TASA in the Timber IQ magazine is also attached. The magazine will also be available at the exhibition.

We sincerely hope that more members will show interest and become active in the activities of TASA. An increased support base will result in gaining more prominence for TASA.

Kind regards

Abrie Visagie
