NUUSBRIEF

Geagte lid

‘n Hartlike verwelkoming terug in die tuig na die heerlike blaaskans.

Slegs die betekenis alleen van die jaar 2017 is al genoeg om vir ons hoop en krag te gee vir die jaar wat voorlê.

Die getal sewentien beteken perfeksie in die geestelike orde van dinge. Dit vorm die idee van ‘n volledige oorwinning. Oorwinning van die vyand in God se soewereine gesag en uitmuntende volmaaktheid.

Boonop gebruik mens sewentien gesigspiere om te glimlag!

Dus is ons wens vir ons lede dat 2017 werklik ‘n oorwinningsjaar vir elkeen sal wees!

HERNUWING VAN LIDMAATSKAP

Baie dankie aan ons lede wat alreeds hul lidmaatskap vir 2017 hernu het. Sodra u betaling op die DVSA se bankstaat aangetoon word, word u 2017 seël vir u lidmaatskapsertifikaat aan u gepos.

WAT IS IN DIE PYPLYN VIR 2017?

Die Grondwet bepaal die volgende:

GOAL SETTINGS

To achieve this, the following goals are imperative:

4.1 For the Consumers

1. High visibility for Association and its members.
2. ***Highlighting poor workmanship and malpractices.**
3. Marketing of the Association and the trade in general in South Africa and overseas.
4. Awareness of the SANS 10407 Specification and requirements.
5. Liaison with the NHBRC and other organizations
6. Awareness of skills and products of members.

4.2 For the Association

1. To give status and provide protection for the Thatcher’s Association, its members and the trade.
2. ****To establish the Thatchers Association as a legal entity.**
3. The establishment of regional committees to implement and effectuate guidelines as subscribed in the Constitution.
4. To establish a system for complaints, queries, disputes and problem solving that will support the Thatcher as well as the consumer.
5. Promote the use of natural as well as renewable resources.
6. To create awareness to users of the Association and its advantages.
7. Awareness of fire protection and safety of thatched roofs.

8. **The Association can own property and have a bank account to further their own business aims and goals.

Ondersoek word ingestel van wat dit sal behels om die DVSA te vestig as a regspersoon.

Met verwysing na bogenoemde uittreksel uit die Grondwet kan met vertroue bevestig word dat daar werklik gepoog word om die DVSA se doelstellings te verwesentlik.

***LASLAPPIE WERK OF GLAD NIE**

Dit is verblydend om waar te neem dat ons lede werk van die hand wys wat nie blywende resultate sal kan oplewer nie.. In plaas van om onbevredigende laslappie werk te verrig, is die kliënt van goeie raad bedien en is die kliënt die keuse gelaat om die raad te aanvaar of nie.

Hier volg ons lid se kommentaar ten opsigte van die fotos hieronder.

“Unfortunately we will not be able to assist due to the positioning of the chimney.

Firstly the chimney was built in a valley which by itself is always problematic and secondly, the side of the dormer window ends very close to the chimney which also restricts the flow of water even more. Therefore, from experience we know that attempts to fix these types of problems are seldom successful.

Please also note that the electrical wire that goes into the thatch is not only dangerous but can also add to the leaking problems.

Once again, our apologies for not being able to assist.

It might sound absurd to you but if you have an open fireplace which requires a chimney, our suggestion is to replace it with a gas fireplace, which will enable you to remove the chimney above the roof all together and extend the thatch over.”

Vriendelike groete

VICTORY IN 2017

This year is 2017. The number seventeen means perfection in the spiritual order or things. It carries the idea of complete victory in overcoming the enemy in God's sovereign authority and excellent completeness.

Did you know it takes seventeen muscles in your face to smile?
